FOREWORD

As the class of 1969, we Seniors, will be the first to complete four years in the new Macon County High School. Our last year is almost gone and it seems we have hardly begun.

These years have indeed been a time to begin, to study, to relax, to listen, to speak. And now is a time for reflection and deep thought about the future.

The 1969 BRIDGE is our attempt to condense four years into a few pages. Now, look; remember; and enjoy

Principal's Message

A WORD
from
Mr. Centers

The faculty and students of Macon County High School are proud of our excellent facilities. We also take great pride in our curriculum which is redesigned each year to better meet the needs of our young people. School spirit is an important ingredient in the over-all pattern of academic as well as athletic events. We emphasize music, drama, speech, debate, and art in our attempt to provide for the total development of each student. Our school will continue to make progress as long as we enjoy the full support of the community.

Mrs. Margaret Brand

Mrs. Brand is the trouble-shooter at MCHS. When anybody wants to know where anything is, he asks Mrs. Brand and more than likely, she will know. She is Counselor's secretary, library assistant, lunchroom cashier and Records coordinator.

Vicky Law

Vicky really deserves a special spot in the '69 BRIDGE, because she checked and typed and rechecked all the ads and did various other little odd jobs too.

Thank you for a good job, Vicki!!!!!!
